INDEX OF ARTICLES

1992: a challenge to the industry (BTS) ..... May p91
Abroad, Enforcing your contracts ..... Oct p57
Additives, Shotcrete: Beefing up the mix ..... Jul p57
Airport runway, Tunnel taxies under (Stansted rail link) ..... Jun p27
Ålesund Giske, Norway, Prevention is better than cure ..... Mar p41
Aqueduct saves Italian power supply after landslide catastrophe ..... Jul p44
Australia's largest drilling jumbo breaks records at King River
(Hyropower Tunnelling in Tasmania) ..... Jun p16
Australian mine development provides fruitful field for tunnellers ..... Nov p38

Bauma Preview ..... Apr p41
Blast monitoring at Penmaenbach ..... Jan p49
Blasting a highway under Oslo (Fjellinjen Tunnel) ..... Jan p19
Boom teaches roadheader new tricks, Telescopic (Dortmund Metro) ..... May p78
Boston: Harbour will sparkle in wake of TBMs ..... Oct p35
Tunnelling boom town of the USA ..... Sep p31
Highway in the sky sinks out of sight ..... Dec p19
Brighton thrust bore, Downhill all the way for ..... Sep p57
British run inland, Two machines for the (Channel Tunnel TBMs) ..... Jan p44
British Tunnelling Society visits Howden ..... Mar p57

Cages, Assembly line used for Channel segment ..... Nov p40
Canada, Tunnelling and research activities in ..... Sep p62
Canada, Tunnelling in: oil spill spells caution for collector sewer construction
(West Rideau sewer) ..... Nov p32
Cavern conversion pins its success on rock bolts, Oil-to-coal ..... Jul p18
Channel rail link: Tunnelling through the environmental issues ..... Apr p65
Channel segment cages, Assembly line used for ..... Nov p40
Channel Tunnel gets well sprayed ..... Jul p57
Channel Tunnel guidance system ..... Nov p54
Channel Tunnel TBMs ..... Jan p44
Channel Tunnel – Whitaker machine ..... Dec p28
CIRIA 44, Compressed air work: changes proposed for ..... Apr p91
Clay zones, Tunnel collapses in swelling ..... Nov p49
Coal cavern conversion pins its success on rock bolts, Oil-to- ..... Jul p18
Collapses in swelling clay zones, Tunnel ..... Nov p49
Compressed air work: changes proposed for CIRIA 44 (BTS) ..... Apr p91
Concrete joints in tunnels, Hose pipe injection system seals ..... Apr p56
Concreting in tunnels: The logistics of coping in confined spaces ..... Jun p71
Confined spaces, The logistics of coping in (Concreting in tunnels) ..... Jun p71
Contracts abroad, Enforcing your ..... Oct p57
Contracts must be fair and balanced, Good ..... May p51
Conversion pins its success on rock bolts, Oil-to-coal ..... Jul p18
Conveyor at UK gypsum mine, Bunker built for curved ..... Apr p79
Cutters tough it out, Disc (Keeping us posted) ..... Jul p41

Denmark's missing link, Bored rail tunnel helps forge (Great Belt) ..... Sep p37
Design, Guidelines for tunnel (ITA Working Group) ..... Dec p42
Design of long road tunnels: an overview, The (Ventilation) ..... Jan p17
Disc cutters tough it out (Keeping us posted) ..... Jul p41
Docklands and Glenvale feature in Harding Prize competition (BTS) ..... Jul p47
Docklands contracts prompt creative solutions, Difficult (BTS) ..... Nov p59
Docklands sewer: Persistence wins soft ground battle ..... Apr p19
Dokka hydroelectric scheme (Norway): Mega-tunnels for mega-Watts ..... May p105
Don Valley, Good progress at. Roadheader succeeds in Oldham
(BTS Views from the Site) ..... Sep p69
Dortmund Metro: Telescopic boom teaches roadheader new tricks ..... May p78
Drifting rods give more drilled metres, Tougher ..... Jan p53
Drilled metres, Tougher drifting rods give more ..... Jan p53
Drum? Spiral or . . . Roadheaders: A cutting comparison ..... Nov p27
Dry and all sealed up, Nice and (Tunnel Waterproofing) ..... Mar p53

Entrepreneur, In the footsteps of an: Small firms plus fast track tunnelling
puts big boys in the shade ..... May p70
Environmental issues, Tunnelling through (Channel rail link) ..... Apr p65
European solutions, South American geological problems respond to ..... May p55
Experience, Tunnelling is a shared ..... May p33

Face, Instability at the: its repercussions for tunnelling technology ..... Apr p69
Fair and balanced, Good contracts must be ..... May p51
Fjellinjen Tunnel: Blasting a highway under Oslo ..... Mar p19
Flooding, Underground stormwater reservoir saves Osaka from ..... Oct p31
France, Applications of water-expanded bolts in ..... Apr p84
France reviews its soft approach to tunnels ..... Apr p94
Funding: how the World Bank operates, Project ..... May p39

Gas and 'quakes, 'Gift wrapped' metro is safe from (Los Angeles rapid transit) ..... Oct p22
Geological problems respond to European solutions, South American ..... May p55
Geotechnical engineering, Instrumentation in: Measuring up the fourth dimension . Jul p35
Giske, Norway. Prevention is better than cure – Ålesund ..... Mar p41
Glenvale feature in Harding Prize competition, Docklands and (BTS) ..... Jul p47
Great Belt: Bored rail tunnel helps forge Denmark's missing link ..... Sep p37
Ground stability in one easy step, Spiling and ..... May p97
Grouting aids driveage in loose rock, Jet ..... Nov p53
Grouting the key to Navy Yard East success – Washington Metro, Jet ..... Mar p35
Guidance system, Channel Tunnel ..... Nov p54
Gypsum mine, Bunker built for curved conveyor at UK ..... Apr p79

Harding Prize competition, Docklands and Glenvale feature in (BTS) ..... Jul p47
Hazardous ground in St Helen's, Pipe jacking through (BTS) ..... Mar p49
Highway in the sky sinks out of sight (Boston) ..... Dec p19
Highway tunnel, Ventilating the Lecco-Colico ..... Jun p47
Highway tunnels in a coalmining area, Urban (Liège link-up) ..... Jun p37
History in the making ..... May p45

Hong Kong and its underground strategy ..... Jan p23
Hong Kong: Tate's Cairn takes care of Kowloon congestion ..... Sep p18
Howden, British Tunnelling Society visits ..... Mar p57
Hydro station at La Muela ups the voltage, Pumped storage (Spain) ..... Dec p32
Hydroelectric scheme, Dokka (Norway) ..... May p105
Hydropower tunnelling in Tasmania:
Australia's largest drilling jumbo breaks records at King River ..... Jun p16

Immersed tubes rise to the occasion (Manchester Conference) ..... Jul p18
Innovation at the cross-roads of Europe ..... May p63
Instability at the face: its repercussions for tunnelling technology ..... Apr p69
Instrumentation in geotechnical engineering –
Measuring up the fourth dimension ..... Jul p35
ITA Working Group: Guidelines for tunnel design ..... Dec p42
Italian power supply after landslide catastrophe, Aqueduct saves ..... Jul p44

Jet grouting aids driveage in loose rock ..... Nov p53
Jet grouting the key to Navy Yard East success – Washington Metro ..... Mar p35
Joints in tunnels, Hose pipe injection system seals concrete ..... Apr p56
Jumbo breaks records at King River, Australia's largest drilling
(Hydropower tunnelling in Tasmania) ..... May p16

King River, Australia's largest drilling Jumbo breaks records at
(Hydropower tunnelling in Tasmania) ..... May p16
Kowloon congestion, Tate's Cairn takes care of (Hong Kong) ..... Sep p18
Know-how flows from hydro schemes (Salzburg Colloquy) ..... Dec p38

La Muela ups the voltage, Pumped storage hydro station at (Spain) ..... Dec p32
Lecco-Colico highway tunnel, Ventilating the ..... Jun p47
Liège link-up: Urban highway tunnels in a coalmining area ..... Jun p37
Lining Method, Nippon Tunnel (NTLM) ..... Dec p50
Logistics of coping in confined spaces, The (Concreting in tunnels) ..... Jun p71
London, Tunnelling under ..... Oct p45
Loose rock, Jet grouting aids driveage in ..... Nov p53
Los Angeles hosts major American tunnelling forum ..... Jun p60
Los Angeles rapid transit: 'Gift wrapped' metro is safe from gas and 'quakes ..... Oct p22
Los Angeles to host 1989 RETC ..... Apr p66

Machine tunnelling expertise pooled at North West Water (BTS) ..... Oct p41
Madrid-Seville rail link, High-speed solutions foil setbacks on ..... Nov p19
Manchester Conference: Immersed tubes rise to the occasion ..... Jul p24
Mel hydroelectric scheme (Norway): Power plunges from Norwegian heights ..... Jul p30
Metro, Dortmund: Telescopic boom teaches roadheader new tricks ..... May p78
Metro – Jet grouting the key to Navy Yard East success, Washington ..... Mar p35
Mine development provides fruitful field for tunnellers, Australian ..... Nov p38
Moscow, Mixshield moves slowly in ..... Sep p52
MRT shield, Permanent home for Singapore's ..... May p83
Mt Lebanon Tunnel gets a first (Ventilation) ..... Jun p41
Mt Lebanon Tunnel: what went wrong? ..... Apr p61
Mucking-out systems: Wheeled ..... Jan p57
Rail ..... Dec p47

Navy Yard East success – Washington Metro, Jet grouting the key to ..... Mar p35
Nippon Tunnel Lining Method (NTLM) ..... Dec p50
North West Water, Machine tunnelling expertise pooled at (BTS) ..... Oct p41
Norway: Blasting a highway under Oslo (Fjellingen Tunnel) ..... Mar p19
Dokka hydroelectric scheme – Mega-tunnels for mega-Watts ..... May p105
Mel hydroelectric scheme – Power plunges from Norwegian heights ..... Jul p30
Norwegian style, Risk sharing ..... Apr p33

Oil spill spells caution for collector sewer construction (West Rideau) ..... Nov p32
Oil-to-coal cavern conversion pins its success on rock bolts ..... Jul p18
Oldham, Roadheader succeeds in. Good progress at Don Valley
(BTS Views from the Site) ..... Sep p69
Osaka from flooding, Underground stormwater reservoir saves ..... Oct p31
Oslo, Blasting a highway under (Fjellinjen Tunnel) ..... Mar p19

Papallacta secures abundant water for Quito ..... Jun p65
Paris sewer strategy: Sewer relief for the Seine and Marne ..... Jun p66
Penmaenbach, Blast monitoring at (BTS) ..... Jan p49
Pipe injection system seals concrete joints in tunnels, Hose ..... Apr p56
Pipe jacking through hazardous ground in St Helen's (BTS) ..... Mar p49
Planning for a positive future, Strategic ..... May p25
Project funding: how the World Bank operates ..... May p39
Pumped storage hydro station at La Muela ups the voltage (Spain) ..... Dec p32

Rail link, High-speed solutions foil setbacks on Madrid-Seville ..... Nov p19
Rail mucking out systems ..... Dec p47
Rail tunnel helps forge Denmark's missing link, Bored (Great Belt) ..... Sep p37
Rail tunnel, Remedial works in former (Woodhead revisited) ..... Apr p27
Rapid transit, Los Angeles: 'Gift wrapped' metro is safe from gas and 'quakes ..... Oct p22
Redesign saves resonating TBM from shaking itself to pieces
Stockholm waste water tunnel) ..... Mar p29
Remedial works in former rail tunnel: Woodhead revisited ..... Apr p27
Research activities in Canada, Tunnelling and ..... Sep p62
Reservoir saves Osaka from flooding, Underground stormwater ..... Oct p31
Resonating TBM from shaking itself to pieces, Redesign saves
(Stockholm waste water tunnel) ..... Mar p29
RETC, Los Angeles to host 1989 ..... Apr p66
Risk sharing Norwegian style ..... Apr p33
Roadheader succeeds in Oldham. Good progress at Don Valley
(BTS Views from the Site) ..... Sep p69
Roadheaders: A cutting comparison (Spiral or drum?) ..... Nov p27
Road tunnels: an overview, The design of (Ventilation) ..... Jan p17

Robots offer sophisticated approach to shotcrete spraying ..... Oct p51
Rock bolts ..... Nov p45
Rock bolts. Oil-to-coal cavern conversion pins its success on rock bolts ..... Jul p18
Rods give more drilled metres, Tougher drifting ..... Jan p53

Salzburg Colloquy. Know-how flows from hydro schemes ..... Dec p38
Sealed up, Nice and dry and all (Tunnel Waterproofing) ..... Mar p53
Seals concrete joints in tunnels, Hose pipe injection system ..... Apr p56
Segment cages, Assembly line used for Channel ..... Nov p40
Seine and Marne, Sewer relief for the (Paris sewer strategy) ..... Jun p66
Seville rail link, High-speed solutions foil setbacks on Madrid- ..... Nov p19
Sewer construction, Oil spill spells caution for collector (West Rideau – Canada) ..... Nov p32
Sewer strategy, Paris: Sewer relief for the Seine and Marne ..... Jun p66
Shield, Permanent home for Singapore's MRT ..... May p83
Shotcrete additives: Beefing up the mix ..... July p57
Shotcrete spraying, Robots offer sophisticated approach to ..... Oct p51
Singapore's MRT shield, Permanent home for ..... May p83
Small firms plus fast-track tunnelling puts big boys in the shade:
In the footsteps of an entrepreneur ..... May p70
Small is proving to be beautiful (BTS) ..... Jun p54
Soft approach to tunnels, France reviews its ..... Apr p94
Soft ground battle, Persistence wins (Docklands sewer) ..... Apr p89
South American geological problems respond to European solutions ..... May p55
Spanish tunnelling: High-speed solutions foil set-backs on Madrid-Seville rail link .. Nov p19
Pumped storage hydro station at La Muela ups the voltage ..... Dec p32
Spiling and ground stability in one easy step ..... May p97
Spiral or drum? Roadheaders: A cutting comparison ..... Nov p27
Sprayed, Channel Tunnel gets well ..... Jul p61
Spraying, Robots offer sophisticated approach to ..... Oct p51
St Helen's, Pipe jacking through hazardous ground in (BTS) ..... Mar p49
Stansted rail link: Tunnel taxies under airport runway ..... Jun p27
Stockholm waste water tunnel: Redesign save . resonating TBM
from shaking itself to pieces ..... Mar p29
Stormwater reservoir saves Osaka from flooding, Underground ..... Oct p31
Strategic planning for a positive future ..... May p25
Swelling clay zones, Tunnel collapses in ..... Nov p49

Tasmania. Hydropower tunnelling in, Australia's largest drilling jumbo
breaks records at King River ..... Jun p16
Tate's Cairn takes care of Kowloon congestion (Hong Kong) ..... Sep p18
TBM awaits salvage from Channel site, Trapped '20s ..... Dec p28
TBM from shaking itself to pieces, Redesign saves resonating
(Stockholm waste water tunnel) ..... Mar p29
TBM: how simple should it be? (BTS) The ..... Dec p41
TBMs, (Boston) Harbour will sparkle in wake of ..... Oct p35
TBMs, Channel Tunnel – Two machines for the British run inland ..... Jan p44
Technology pushes back the frontiers, Advancing ..... May p48
Telescopic boom teaches roadheader new tricks – Dortmund Metro ..... May p78
Thrust bore, Downhill all the way for Brighton's ..... Sep p57
Tunnel design, Guidelines for (ITA Working Group) ..... Dec p42
Tunnelling is a shared experience ..... Apr p33

Underground river forces freezing at Valencia ..... Jul p38
Unlined tunnel waterways? How safe are ..... Oct p59
Unlined undersea tunnels prove themselves again ..... Jan p47
Undersea tunnels prove themselves again, Unlined ..... Jan p47
Urban highway tunnels in a coalmining area: Liège link-up ..... Jun p37
USA, (Boston) Tunnelling boom town of the ..... Sep p31
USSR, Glasnost opens the way for Western penetration of the ..... Sep p51
Mixshield moves slowly in Moscow ..... Sep p52

Valencia, Underground river forces freezing at ..... Jul p38
Ventilating the Lecco-Colico highway tunnel ..... Jun p47
Ventilation: Mt Lebanon Tunnel gets a first ..... Jun p41
Ventilation – The design of long road tunnels: an overview ..... Jan p17

Washington Metro – Jet grouting the key to Navy Yard East success ..... Mar p35
Water for Quito, Papallacta secures abundant ..... Jun p65
Water main, Plugging the leak in Boston's ..... Sep p34
Water-expanded bolts in France, Applications of ..... Apr p84
Waterproofing, Tunnels. Nice and dry and all sealed up ..... Mar p53
Waterways? How safe are unlined tunnel ..... Oct p59
West Rideau: Oil spill spells caution for collector sewer construction
(Tunnelling in Canada) ..... Nov p32
